

Safe at Play Guidelines

5v5 Summer League

- Individuals who are or feel sick must stay home.
- A player, team manager, referee, or field monitor will be immediately sent home if there is a positive answer to a screening question and/or if a reading of 100.0°F or more is indicated.
- Players, referees, field monitors, and team managers must regularly apply hand sanitizer (at least before and after each game).
- Individuals, except referees and players currently on a field for a game, must wear cloth covering over face and nose. **NO SPITTING!**
- Individuals must stand/sit at least six (6) feet apart from other individuals who are not part of their household.
- Personal items (e.g., water bottles, phones, bags, soccer balls) are not to be shared between individuals who are not from the same household.
- Referees and players currently on a field for a game must minimize contact with other individuals doing the same (e.g., no handshakes, high-fives, hugging).
- **NO LOITERING** in the parking lot and spectator areas before and after a game.

PLAYERS

- ✓ **Before**
 - Wear a cloth covering over mouth and nose
 - Check in and stay at staging area with team until directed to a game field
 - Get temperature reading by Field Monitor
- ✓ **During**
 - Remove cloth covering once at individual game field and store in safe place
 - Limit touching of players and game ball(s) with hands. **NO SPITTING!**
 - Stay at designated player spot when not playing/subbed out
- ✓ **After**
 - Put cloth covering back on
 - Follow the direction of the Team Manager to exit the field and go straight to vehicle

REFEREES

- ✓ **Before**
 - Conduct player safety and roster checks
- ✓ **During**
 - Limit touching of players and game ball(s) with hands
- ✓ **After**
 - Replace sideline cones and game ball with a clean, sanitized set

PARENTS & SPECTATORS

- ✓ **Before**
 - Wait in vehicle until player starts playing his/her game
- ✓ **During**
 - Watch the game from designated spectator area(s)
 - Wear a cloth covering over mouth and nose
- ✓ **After**
 - Return to vehicle immediately after game and wait for player

FIELD MONITORS & TEAM MANAGERS

- ✓ **Before**
 - Guide players to staging area
 - Conduct screening and temperature checks on players
 - Direct teams to game fields
- ✓ **During**
 - Monitor players on sidelines
 - Monitor designated spectator area(s)
- ✓ **After**
 - Direct players to exit game fields and go straight to own vehicles
